

Japan-Korea-Taiwan Joint Meeting for Pancreatic Cancer in Wakayama

— 膵癌克服を目指した国際シンポジウム in 和歌山 —

日 時：平成29年2月17日（金） 9:00～17:30

場 所：和歌山県立医科大学 生涯教育センター
（図書館棟3階）

和歌山市紀三井寺811-1 TEL: 073-441-0613

事務局：和歌山県立医科大学 外科学第2講座

担当 川井 学

TEL: 073-441-0613
(若手研究者による国際シンポジウム等開催助成事業)

Japan-Korea-Taiwan Joint Meeting for Pancreatic Cancer in Wakayama

~ Scientific Program ~

9:10-10:00 Session 1 **Clinical application in basic research**

Speaker 1 : **Shinichi Yachida** National Cancer Center Research Institute (Japan)

『Pancreatic cancer: molecular genomics for clinical application』

Speaker 2 : **Toru Furukawa** Tokyo Women's Medical University (Japan)

『Activation of MAPK in pancreatic cancer-Its mechanism and implication』

10:00-10:50 Session 2 **Chemotherapy for pancreatic cancer**

Speaker 1 : **Li-Tzong Chen** National Health Research Institutes (Taiwan)

『Current status of chemotherapy for unresectable pancreatic cancer』

Speaker 2 : **Sohei Sato** Kansai Medical University (Japan)

『Treatment strategy for pancreatic cancer with peritoneal metastasis』

11:05-12:20 Session 3 **Minimally invasive pancreatic surgery**

Speaker 1 : **Yoo-Seok Yoon** Seoul National University Bundang Hospital (Korea)

『Current status of minimally invasive surgery of the pancreas』

Speaker 2 : **Chang Moo Kang** Yonsei University College of Medicine (Korea)

『Minimally Invasive Pancreatectomy for Pancreatic Cancer』

Speaker 3 : **Masafumi Nakamura** Kyusyu University Graduate School of Medicine (Japan)

『Laparoscopic pancreatectomy in Japan』

13:20-14:35 Session 4 **Treatment strategy for advanced pancreatic cancer**

Speaker 1 : **Jin-Young Jang** Seoul National University (Korea)

『the impact of extended resection for pancreatic cancer』

Speaker 2 : **Masayuki Sho** Nara Medical University (Japan)

『Prognostic impact of neoadjuvant therapy in pancreatic cancer』

Speaker 3 : **Hidetoshi Eguchi** Osaka University Graduate School of Medicine (Japan)

『Role of neoadjuvant therapy in borderline resectable pancreatic cancer』

14:35-15:25 Session 5 **Advances in endoscopic treatment in pancreatic cancer**

Speaker 1 : **Masayuki Kitano** Wakayama Medical University (Japan)

『Advances in endoscopic treatment in pancreatic cancer』

Speaker 2 : **Kazuo Hara** Aichi Cancer Center Hospital (Japan)

『The impact of EUS and EUS-FNA in pancreatic cancer』

15:40-17:20 Session 6 **Current status in strategies towards safer pancreatic surgery**

Speaker 1 : **Yan-Shen Shan** National Cheng Kung University (Taiwan)

『How to improve the outcome of pancreatic surgery』

Speaker 2 : **Tsutomu Fujii** Nagoya University Graduate School of Medicine (Japan)

『Procedure to reduce pancreatic fistula after pancreatic surgery』

Speaker 3 : **Ching-Yao Yang** National Taiwan University (Taiwan)

『management to reduce postoperative complications after pancreatic surgery』

Speaker 4 : **Manabu Kawai** Wakayama Medical University (Japan)

『Current status of clinical trial in pancreatic surgery』
